Dear Mr. Shaheed:

On behalf of the citizens in City Council District 5, I am writing this letter of support for the traveling exhibition of Timbuktu. This exhibit provides an exciting opportunity for our community to experience a diverse culture and religion.

In bringing this exhibit to our great city, it will not only encourage knowledge of different cultures but also expose our youth to the intellectual development of this city in Africa. As the City Council Representative for District 5, I often find that it is a challenge to bring such educational opportunities to our community. This exhibit speaks to the diversity that exists in the world and I would be glad to know how I and the City of Fort Worth can be of assistance in bringing it to our area.

Thank you for your commitment and dedication.

Sincerely,

Franklin D. Moss
