Fort Worth, TX 76119

Dear Mr. Shaheed:

Opportunity knocks at various levels of acceptance and understanding, thus as a progressive thinker I have decided to accept the opportunity coming into our community with the Traveling Exhibition on Timbuktu.

The exhibit can only enhance to acceptance of diversity with our community and it will greatly impact the thought of all our children.

Thanks for your determination and insight on bringing us such an educational opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "Devoyd Jennings". The signature is stylized and includes a small asterisk-like mark at the end.
