Dear Mr. Shaheed,

The Morningside Neighborhood Association supports the traveling exhibition of Timbuktu to Tarrant County. It is these kinds of exhibits which bring meaningful multicultural awareness to the citizenry of the different communities of Tarrant County. As one of those communities, we look forward with great anticipation for the viewing.

It is our pleasure to lend our support to such a positive venture.

Sincerely,

A handwritten signature in cursive script that reads 'Juna Allen Harris'.
