Dear Mr. Syed:

I am writing in support of the "Legacy of Timbuktu: Wonders of the Written Word" exhibit that will be at the Fort Worth Museum of Science and History, April, 2013. The Fort Worth Independent School District is committed to collaborate with your organization and the museum to ensure that students and their families have an opportunity to be exposed to this learning experience.

Please accept this letter of support as a formal commitment from the District so we can continue working and planning for student opportunities, professional development for teachers and community awareness for our families!

We look forward to hearing from you regarding our work together to ensure students are reading on grade level, on time.

Sincerely,

A handwritten signature in cursive script that reads "Walter Dansby".
